March 18, 2020

Dear Valued AYSP Clients,

On March 12th, 2020 AYSP heard the announcement that the Government of Ontario, through the Ministry of Education, decided to close public schools for two weeks following March break as a way of limiting the spread of COVID-19.

The health and safety of our clients, staff, & community members is a priority for AYSP. In light of the announcement, AYSP has decided to suspend face-to-face services with our clients beginning immediately and will close our offices March 20th until further notice. We are still here and are committed to providing the best service we can during this time. We are offering service by telephone and/or through a virtual platform. We are making this decision to prevent spread of this virus and to ensure the health and safety of our valued clients, staff and volunteer teams.

Please expect to hear directly from your worker at AYSP to work with you around an appropriate plan for your service. If you have any immediate questions, please contact your worker at the number they have provided or by calling our general line at 905-890-5222, where messages will be received.

Crisis support services for Children, Youth and Families are available 24/7. Please call 416-410-8615. If you are over 18 and need crisis support, please call CMHA Peel-Dufferin's 24/7 Crisis Line at 905-278-9036.

Sincerely,

A handwritten signature in blue ink that reads 'Kelly Henderson'.
